

### TERM 3 23 AUGUST 2024

Dear FCJ College community,

As the Olympics drew to a close last week there is always a great deal of reflection about what has just happened, how many wonderful stories from across the world take place all in that one space and one fortnight in time. While many people are talking about Raygun and Noah Lyles or even skateboarding or the amazing swimmers, one story that I keep coming back to is that of Australian discus thrower, Matthew Denny. This story struck me, one of many no doubt, about the characteristic of courage and confidence displayed by the athletes at the Olympics. This was Matthew's third Olympics. In 2016, Rio de Janeiro he failed to qualify for the final. In 2021, in Tokyo, Matthew finished 4th overall, missing out on a bronze medal by 0.05m. But, in 2024, Matthew won the bronze medal with a throw that was one of the longest in Olympics history. I saw Matthew interviewed on TV after his third-place win, and he was overjoyed. If you didn't know, you would have sworn he had won the gold medal. I love that this story is about competing against yourself, courage and confidence to keep showing up, to keep training, to keep believing in yourself and your own abilities.

There is much in this example for the young people in our care as well. How often would it be easy for them to not turn up, to not complete that homework, to not prepare for that test. To settle with 4th place. To not keep pushing themselves. It takes courage and it takes a healthy sense of confidence to believe you can be better, can do better and it is my hope for all in our community that they know they have a supporter in me, cheering them on to always push themselves to be and do better.

As a community, we are a better place when we're all performing at our best. We need to support each other, to give them confidence to keep turning up, to keep getting that feedback, and to keep learning. So, thank you Matthew Denny and all the inspiring athletes for reminding us of what hard work and commitment looks like, and that it might not always happen the first time, nor the second, and perhaps not even the third. But to have the courage and the confidence to believe it will happen. At some point.

#### Mary Poppins

Well tonight is the night! We kick off our fabulous production of Mary Poppins at BPACC. There are still some tickets available for the show tonight and tomorrow (Saturday 24 August) and these can be purchased at the door. We wish Guy Durance, Steph Symes and the whole cast and crew of Mary Poppins all the best for a wonderful weekend of performances. Chookas!

#### Sad News

We received some sad news this week about the passing of former student and foster daughter of Cath Burton, Jemma Armstrong (class of 2020). We keep Jemma, all who loved her, and especially the Burton family in our prayers at this terribly sad time. May Jemma rest in peace.

*If you need help, help is available, please call Lifeline on 13 11 14 or Kids Helpline on 1800 55 1800.*

#### Uniform

As previously mentioned in this newsletter, we are thrilled to announce our new uniform provider, Noone is now operating out of the uniform shop. We will soon be seeking some input from families on some potential changes to our uniform items and look forward to engaging with you in this process.

Go well,

*Shaun Mason*  
Principal

## FCJ COLLEGE'S COMMITMENT TO CHILD SAFETY

All students enrolled, and any child visiting FCJ College, have a right to feel safe and be safe. The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse. We aim to create a child safe and child friendly environment where children feel safe and are free to enjoy life to the full without any concern for their safety.

## ANNIE'S GIFT TO SACRED HEART FRIENDS

Annie devoted her weekend to making 22 friendship bracelets, warmly welcoming the Japanese students from Tokyo with a heartfelt gesture of friendship.

# UNIT 4 OES STUDENTS TAKE ON FALLS CREEK: A TWO-DAY WINTER ADVENTURE

Our Unit 4 Outdoor and Environmental Studies class recently had an amazing two-day adventure at Falls Creek.

On day one, students challenged themselves with cross-country skiing, exploring the stunning winter landscapes.

Day two brought the thrill of downhill skiing, where they got to experience the exhilaration of the slopes.

# SOPHIE HAMMOND RECEIVES PRESTIGIOUS BISHOP JOE GRECH YOUTH SCHOLARSHIP

Congratulations to FCJ College student Sophie Hammond, who was announced as a recipient of the prestigious Bishop Joe Grech Youth Scholarship.

Sophie, alongside other students from the Sandhurst Diocese, was recognised for her exceptional leadership, commitment to faith, and dedication to social justice. Named in honour of former Bishop of Sandhurst, Bishop Joe Grech, this award celebrates those who embody these outstanding qualities.

# FCJ TEAMS SHOW RESILIENCE AT HUME NETBALL CHALLENGE

Hume netball was a tough challenge for all our teams. The senior boys tried gallantly all day, played with the 7 players only and came away with second place.

Year 7 girls tried hard in all their games however, the strength of the other teams was too good. The girls came home with one win for the day.

Year 9 and 12 girls had a big job ahead of them for the day, also playing against strong teams from Wangaratta and Wodonga, just to mention a couple. With some injuries being taken into the day, the girls fought hard and contested well.

Overall a fun day with some very good netball being played. Well done to the players who represented FCJ College and thank you to the staff who accompanied the teams.

## POLICE TALKS ON HEALTHY RELATIONSHIPS, CONSENT AND ONLINE BEHAVIOURS

Wade Spokes and Lisa Atkinson from Benalla Police spoke with Year levels 8 to 12 on Monday 12 August. They spoke about healthy and respectful relationships online and face to face through the lens of treat others the way you want to be treated. Other topics included: consent, sending and receiving images online, sexploitation, looking after your mates at parties and very importantly the laws surrounding all these issues.

Both Lisa and Wade welcomed questions and strongly encouraged all students to tell a trusted adult about any concerns they may have in the online and physical space.

We thank both Lisa and Wade for their time, expertise and willingness to engage in discussion with our students. A resource that Benalla Police utilised and recommend for future use is attached here:

## EXPLORING BIOLOGY AND PSYCHOLOGY: A VISIT TO KYABRAM FAUNA PARK

Students from the Unit 1-4 Biology and Psychology classes visited Kyabram Fauna Park to explore biological concepts and the ethical considerations surrounding the conservation and management of land and animals. The Unit 2 Biology students focused on the unique adaptations that allow kangaroos to survive in arid environments. Meanwhile, Unit 4 Biology students delved into evolutionary biology by examining how possums have evolved from their ancestors, specifically through changes in skull structures. The Unit 2 and 4 Psychology students investigated the five domains of animal welfare and assessed how Zoos Victoria upholds these standards to ensure that animals are protected and able to thrive in captivity.

# BUDDY TACTICS

Our Year 7 and 12 students met with their buddies to strategise for the Founder's Day races. They had a great time sharing ideas while enjoying ice cream in the sunshine.

# PBL WW1 MEMORIAL BOX

In our Project-Based Learning (PBL) unit on World War I, students recently began their exploration with an in-class museum exhibition. The exhibition, provided by The Albury Museum, featured a collection of real and replica uniforms, equipment, and artefacts.

To deepen their understanding, students completed a booklet filled with questions designed to encourage critical thinking and analysis of the items on display. They also engaged with the materials by scanning QR codes, which gave them access to detailed information about each artefact.

# ROUND ROBIN 3

Year 7 girls basketball were undefeated for all three games.

Poppy and Ariel were defeated in the finals.

Basketball - girls came runners up and the boys came third.

Year 9-10 Dodge Ball

# Wear it Purple Day is coming up on Friday, 30th August 2024!

## What is Wear it Purple Day?

Wear it Purple Day is an annual event that celebrates and supports LGBTQIA+ youth. This important day was established to foster safe, empowering, and inclusive environments for young people of diverse sexualities and gender identities. By wearing a touch of purple, we show our commitment to ensuring that every student feels valued, accepted, and free to be themselves without fear of discrimination.

## How You Can Get Involved:

**Wear a touch of Purple:** On Friday 30th August, we encourage everyone to wear a touch of purple to show their support for LGBTQIA+ youth and to help raise awareness about the importance of inclusivity and acceptance.

**Spread the Word:** Share the message of Wear it Purple Day with your friends, family, and social networks. Let's work together to create a community where everyone feels safe and celebrated.

**Learn and Reflect:** Take the time to educate yourself about LGBTQIA+ issues and consider how you can contribute to a more inclusive and supportive school environment.

We look forward to seeing our school community come together to celebrate diversity and inclusion on Wear it Purple Day!

Thank you for your continued support.

**WEAR IT PURPLE**

**FRIDAY 30TH AUGUST**

On Friday 30th August FCJ College is celebrating **WEAR IT PURPLE DAY.**

This initiative strives to foster a supportive, safe, empowering and inclusive environment for rainbow youth.

Staff & Students are encouraged to **WEAR IT PURPLE** this can be in the form of hair ties, bows, scrunchies, socks and purple nail polish.

Students are not to wear a purple garment like a tee, jumper or pants etc.

For those of us not connected to a primary school we may not have known that book week is here! This year's theme is "**Reading is Magic**" and is a fabulous reminder that reading can take us to places that reality can't! There is nothing better than getting lost in a great read, finding something unexpected or solving a crime that has many twists and turns. Many of us start a book but fail to see it through to it's conclusion! We need to persist and indeed unlock the magic!

**Safe driving for life – It's all about attitude**

CoolHeads is a thought provoking, confronting and informative road safety program with advice on a wide range of topics for young drivers. The event is to help young drivers recognise poor behaviour and help prevent further trauma on our roads. The program is not about teaching our youth how to drive; it is about highlighting the real consequences of distraction and risk taking while driving. The death or serious injury of local young people on our roads has had a devastating impact on families and ripples out to friends, local communities, schools and sporting clubs. It is designed to improve the attitude of young drivers towards driving on our roads. The program challenges drivers, before it is too late, to take the opportunity to make important decisions about their attitudes to driving. The reality is that 16-25 year old drivers have the highest risk of being killed or seriously injured on our roads. CoolHeads focusses the audience's attention on the devastating impact that road trauma has on the lives of so many. It aims to motivate all drivers to reduce driver distraction each time they get behind the steering wheel or in a passenger seat and consider, if even for a moment, "It could happen to me".

## Youth Outreach Recovery Support (YORS)

### What is Youth Outreach Recovery Support (YORS)?

Youth Outreach Recovery Support (YORS) is a Mental Health Community Support Service (MHCSS) for young people aged 16-25 years who are experiencing mental health symptoms or significant psychological distress. It will be delivered by existing Youth Residential Recovery (YRR) service providers across Victoria.

YORS is funded by the Department of Health to provide young people with short to medium term flexible outreach wellbeing support to help them to better manage their mental health, develop practical life skills for independent living and self-care, engage in community life, access other health and social support services they need, and make the journey towards recovery and the life they want.

### Who will benefit from YORS?

YORS is for young people aged 16-25 years in Victoria, who are experiencing mental health symptoms or significant psychological distress.

It will complement, but not duplicate, case management supports the young person may be receiving from other service providers (e.g. area mental health services, youth justice, out of home care and homelessness providers) by providing a psychosocial therapeutic response tailored to the needs of the young person. This includes providing young people with some access to the YRR group programs and activities on a day basis. This support can also be provided before or after a YRR bed-based placement.

### How do you refer to YORS?

Young people can self-refer to YORS. With the young person's consent, referrals can also be made by family members or carers, schools, youth services, GPs, private and public mental health clinicians, headspace, Prevention and Recovery Care Services (PARCS), as well as health and social support services such as those related to: homelessness, justice, out of home care, and substance use or addiction.
